# FOREWORD

Throughout the ages, man's ability to create has presented to the men of all eras a desire to chart the uncharted depths of his mind. Today is not different. We find ourselves marooned on a fleeting age—an age equal to that of the Romans and Greeks, the Classics and Neo-Classics. We, of Bishop McCort High School hold a deep respect for man's past and preserve this respect for his future. The present, we hold most dearly, and speak of it frequently with God. We speak of the future as well, for only we can act as God's wedge in sculpting the passageways of a future. Man's task is not impossible; but possible in a fluent present. Create, we will—create, we must; for the students of this dawn find a great symbol in man's masterpieces of wood and iron, copper and gold. We sincerely hope to place these vital symbols at the starting point of our own masterpiece which only God and the future will see us complete.

Reverend Richard S. Hovanec, *Principal*

To devise a fundamental design from which a masterpiece can be created is the central objective of the high school experience. As seniors, we stand before an un-created imaginary superstructure of life and reach out for a plan—an identity—a foundation upon which tools may begin.

We are not alone in our search. One man, Reverend Richard S. Hovanec, his life and purpose, generates that prized image which will ultimately effect the polished sculpt of maturity.

As we, the class of 1969, approach the turning point of life, a sincere and meaningful thanks is extended to you, Father Hovanec, and everything you represent.

Class of '69

"No Man's Work Is Ever Done"

Seldom are images so well captured in a phrase as are the images of this single concept—a concept limited to no boundary, shackled by no time and ensnared by no world.

Time envelopes us in an age where education's machinery must never cease. Today's technology finds men behind every machine.

Often, devotion is far too difficult to match with gratitude; but, at this time, we sincerely hope to present a warm thanks to Vice-Principal Rev. James Bunn, the "educational technician" whose work at BMHS is never done.

Class of '69

Reverend James F. Bunn, *Vice-principal*

With the Student Council it's always business, business, business.

The Guidance Department, an integral part of the high school machine, etches a well-defined pattern in the future lives of the students it serves.

With hope of future success from their concern for us, we thank Sister Hilda Marie, CSJ, the guidance counselor of the senior class. To Rev. Charles Riger, a new member of the guidance faculty this year, we extend a hearty welcome.

Junior Achievement, in its third year in Johnstown, has continued to give boys and girls in this area, experience in record keeping, producing and selling goods or service, paying and receiving wages and raising capital

Led by Mr. David Kean, Executive Director of Junior Achievement in Johnstown, high school students are organized into fifteen miniature companies of their own. This year BMHS is represented in the following companies: Cro-Go, Gasko, Juss, Sleetus, Telecom, Uni-Fab, Crowntique, Jabco, Janc, Trib-Co., G-Beeco, JBJ, Mini-J, Petco, and Watt-Co. Of the 345 members BMHS membership includes approximately 100 students.

This extra curricular learn-by doing activity teaches what it means to own, manage, and work for a business enterprise

Achievement through long hours

Existing as an outlet to more enjoyable mathematics, the Mu Alpha Theta complements the in-class involvement with life's counterpart—mathematics. Besides initiating a student tutoring program, and organizing student presentations of the fine points of math, the Mu Alpha Theta also plans the traditional Sadie Hawkins Dance. Our chapter was represented at the National Mu Alpha Theta Convention at Dayton, Ohio, in 1968. The Mu Alpha Theta is moderated by Mr. James Roccio

Eminent mathematician inspires McCort youth at Math Convention in Dayton.

Fifty high school bands participated. Mr. Samuel Signorino, conductor at BMHS, was host.

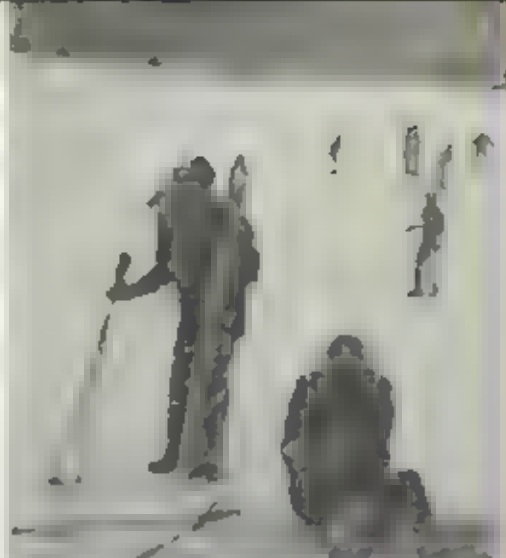

# SEVEN SPRINGS

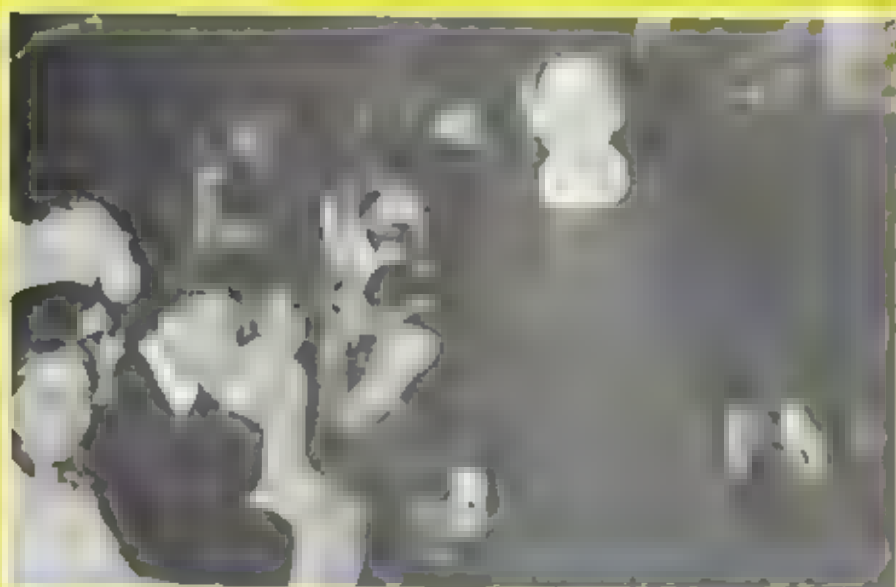

The twentieth day of February, 1909, Lincoln's Birthday, found the senior class of RMHS on the mountain slopes of Seven Springs. Snow, swimming and tobogganing, and all round fun were the order of the day. Seven Springs, which provided the instructors, equipment and slopes at a low cost to the seniors, made the acquaintance of many Johnstown students and teachers. The junior class thinks the instructors did a grand job and Seven Springs for an ever-value outing.

Season-long defensive tactics matched by a powerfully balanced ground-air offense led the way to a 7-3 showing for Coach Al Fletcher's McCortmen.

Head Coach Uriah psyches up the team

## OUR STARS DID SHINE IN '69

The 1968-1969 Varsity Basketball Season has proven to be one of McCort's best, and Mr. Uriah's first 20 win season as head monitor for the Varsity Roundballers.

In the struggle for the PCIAA crown the McCort men were tripped up twice in diocesan play by rivals Bishop Guilfoyle and Bishop Carroll with Bishop Guilfoyle eventually capturing the diocesan crown and the right to represent the Altoona-Johnstown diocese in the state play-offs.

The Crimson and Gold Cagers, even though dropping the state crown, sported an excellent 20-4 season, which also proved to be one of the best in the district.

With the cry of sweet revenge, the Crusher-Cagers also whipped all four opponents it handed them earlier defeats in the season, thus icing a perfect year.

## JUNIOR VARSITY

Under the guidance of Coach Martynuska, the JV handed their head over for his next season. Posting a (19-3) record, the "Little crushers" molded together both speed and height into a working unit capable of Varsity material next year. It was the long hours of practice and drills and the devotion to the team by the Coach that will certainly make the Varsity successful in the upcoming years.

## FRESHMEN CAPTURE WESTERN SECTION TITLE ONCE AGAIN.

The 'BABY CRUSHERS' under Coach Farrell once again sported an excellent 18-3 season and captured the Western Section of the Pennsylvania Inter-County League for the third consecutive year.

Coach Farrell in the past has turned out excellent teams worthy of varsity ball and this year's team proves to be no exception.
